MODERN. LIGHT-FILLED. UNIQUE.

FROM STUNNING ARCHITECTURE AND FLOOR-TO-CEILING WINDOWS, TO OUTDOOR SPACES THAT ARE JUST AS BREATHTAKING, THE CABLE CENTER HAS IT ALL.

THE INDOOR OUTDOOR VENUE

The Cable Center offers a modern and unique setting for your special day.

Our large Great Hall features three-stories of glass windows, flooding the space with natural light and making guests feel outdoors, but with the confidence and predictability of an indoor event.

A 360-degree balcony, grand staircase, and iconic terrazzo floors make us one of the most elevated wedding venues in Denver.

FAQS

We understand that every event is unique, and we are here to give you the attention, support, and peace of mind you deserve.

Do I need to make an appointment for a site visit?

You can book a tour on our website:
www.cablecenterevents.org/tour

Do I have to use one of The Cable Center's preferred caterers? We have a full list of preferred caterers. If you choose to hire outside of our preferred catering list, there is a \$1,000 outside catering fee and \$500 cleaning deposit. The cleaning deposit is refundable after your event. Any outside caterers must sign a one-day catering contract and provide a Certificate of Liability Insurance listing The Cable Center as additionally insured. All outside caterers must be a full service caterer licensed within the State of Colorado. Please note it is the caterer's responsibility to set the room, order rentals, design floor plans, and clean up after the event. The Cable Center can make other arrangements for room setup and cleanup at an additional cost. Please contact our Events Team for additional information.

What is allowed for bar service? Peak Beverage is our exclusive bar service provider. Since every event is unique, please contact our Events Team to determine your bar needs and exceptions.

How long will I have use of the space I reserve?

Rental includes an eight hour time block to accommodate event setup and teardown. Additional rental hours can be purchased, if needed. All events must end by 12:00am and can begin as early as 7:00am.

How does parking work at The Cable Center?

We offer reserved parking through the University of Denver for \$12 per space, depending on lot availability. Valet parking and parking attendants are also available through our contracted and preferred vendor, Jay's Valet. Pricing for all parking arrangements are dependent on your event rental package and/or your event parking needs. If you wish to use public transportation, The Cable Center is conveniently located across the street from the University of Denver Light Rail.

Does The Cable Center include any event furniture in the rental?

Included in your rental is the use of 35 five-foot rounds, 350 white padded chairs, 12 cocktail tables, and 10 six-foot banquet tables, to be used indoors. Board rooms, Malone Theater, and other event spaces come with preset furniture. Any additional furniture rentals can be rented from our exclusive rental company, Event Rents.

Who is responsible for the set-up of event furniture?

Your chosen caterer will be responsible for the setup and teardown of the event furniture. With the exception of the Daniels Great Hall and Mezzanine, other event spaces are pre-set configurations. If you want different setups, either your caterer can set the rooms or The Cable Center will outsource assistance at an additional charge.

When are the rental deposit and venue rental fees due?

The signed rental agreement, along with 50% of the rental fee, is due seven days after the agreement is sent. Full venue rental fee is due 75 days prior to your event.

Is security required?

Events that take place outside of our normal business hours of Monday – Friday from 8:00am – 5:00pm and any events with bar service require security. Security is scheduled 30 minutes prior to bar service start time until the end of the contract time. Off-duty Denver police officers are scheduled at the client's expense.

How long will I have use of the space I reserve?

Rental includes an eight hour time block to accommodate event setup and teardown. Additional rental hours can be purchased, if needed. All events must end by 12:00am and can begin as early as 7:00am.

Do I need an Event Planner?

A Licensed professional Event Planner is required for the day of your wedding and is to be provided by the client. This is separate from The Cable Center's day-of building coordinators. We can refer you to some of our trusted favorites for day-of planning!
